

**Specialised transportation
for day old chicks**

A custom-designed airfreight product for the protected and expedited movement of day old chicks, all throughout the year.

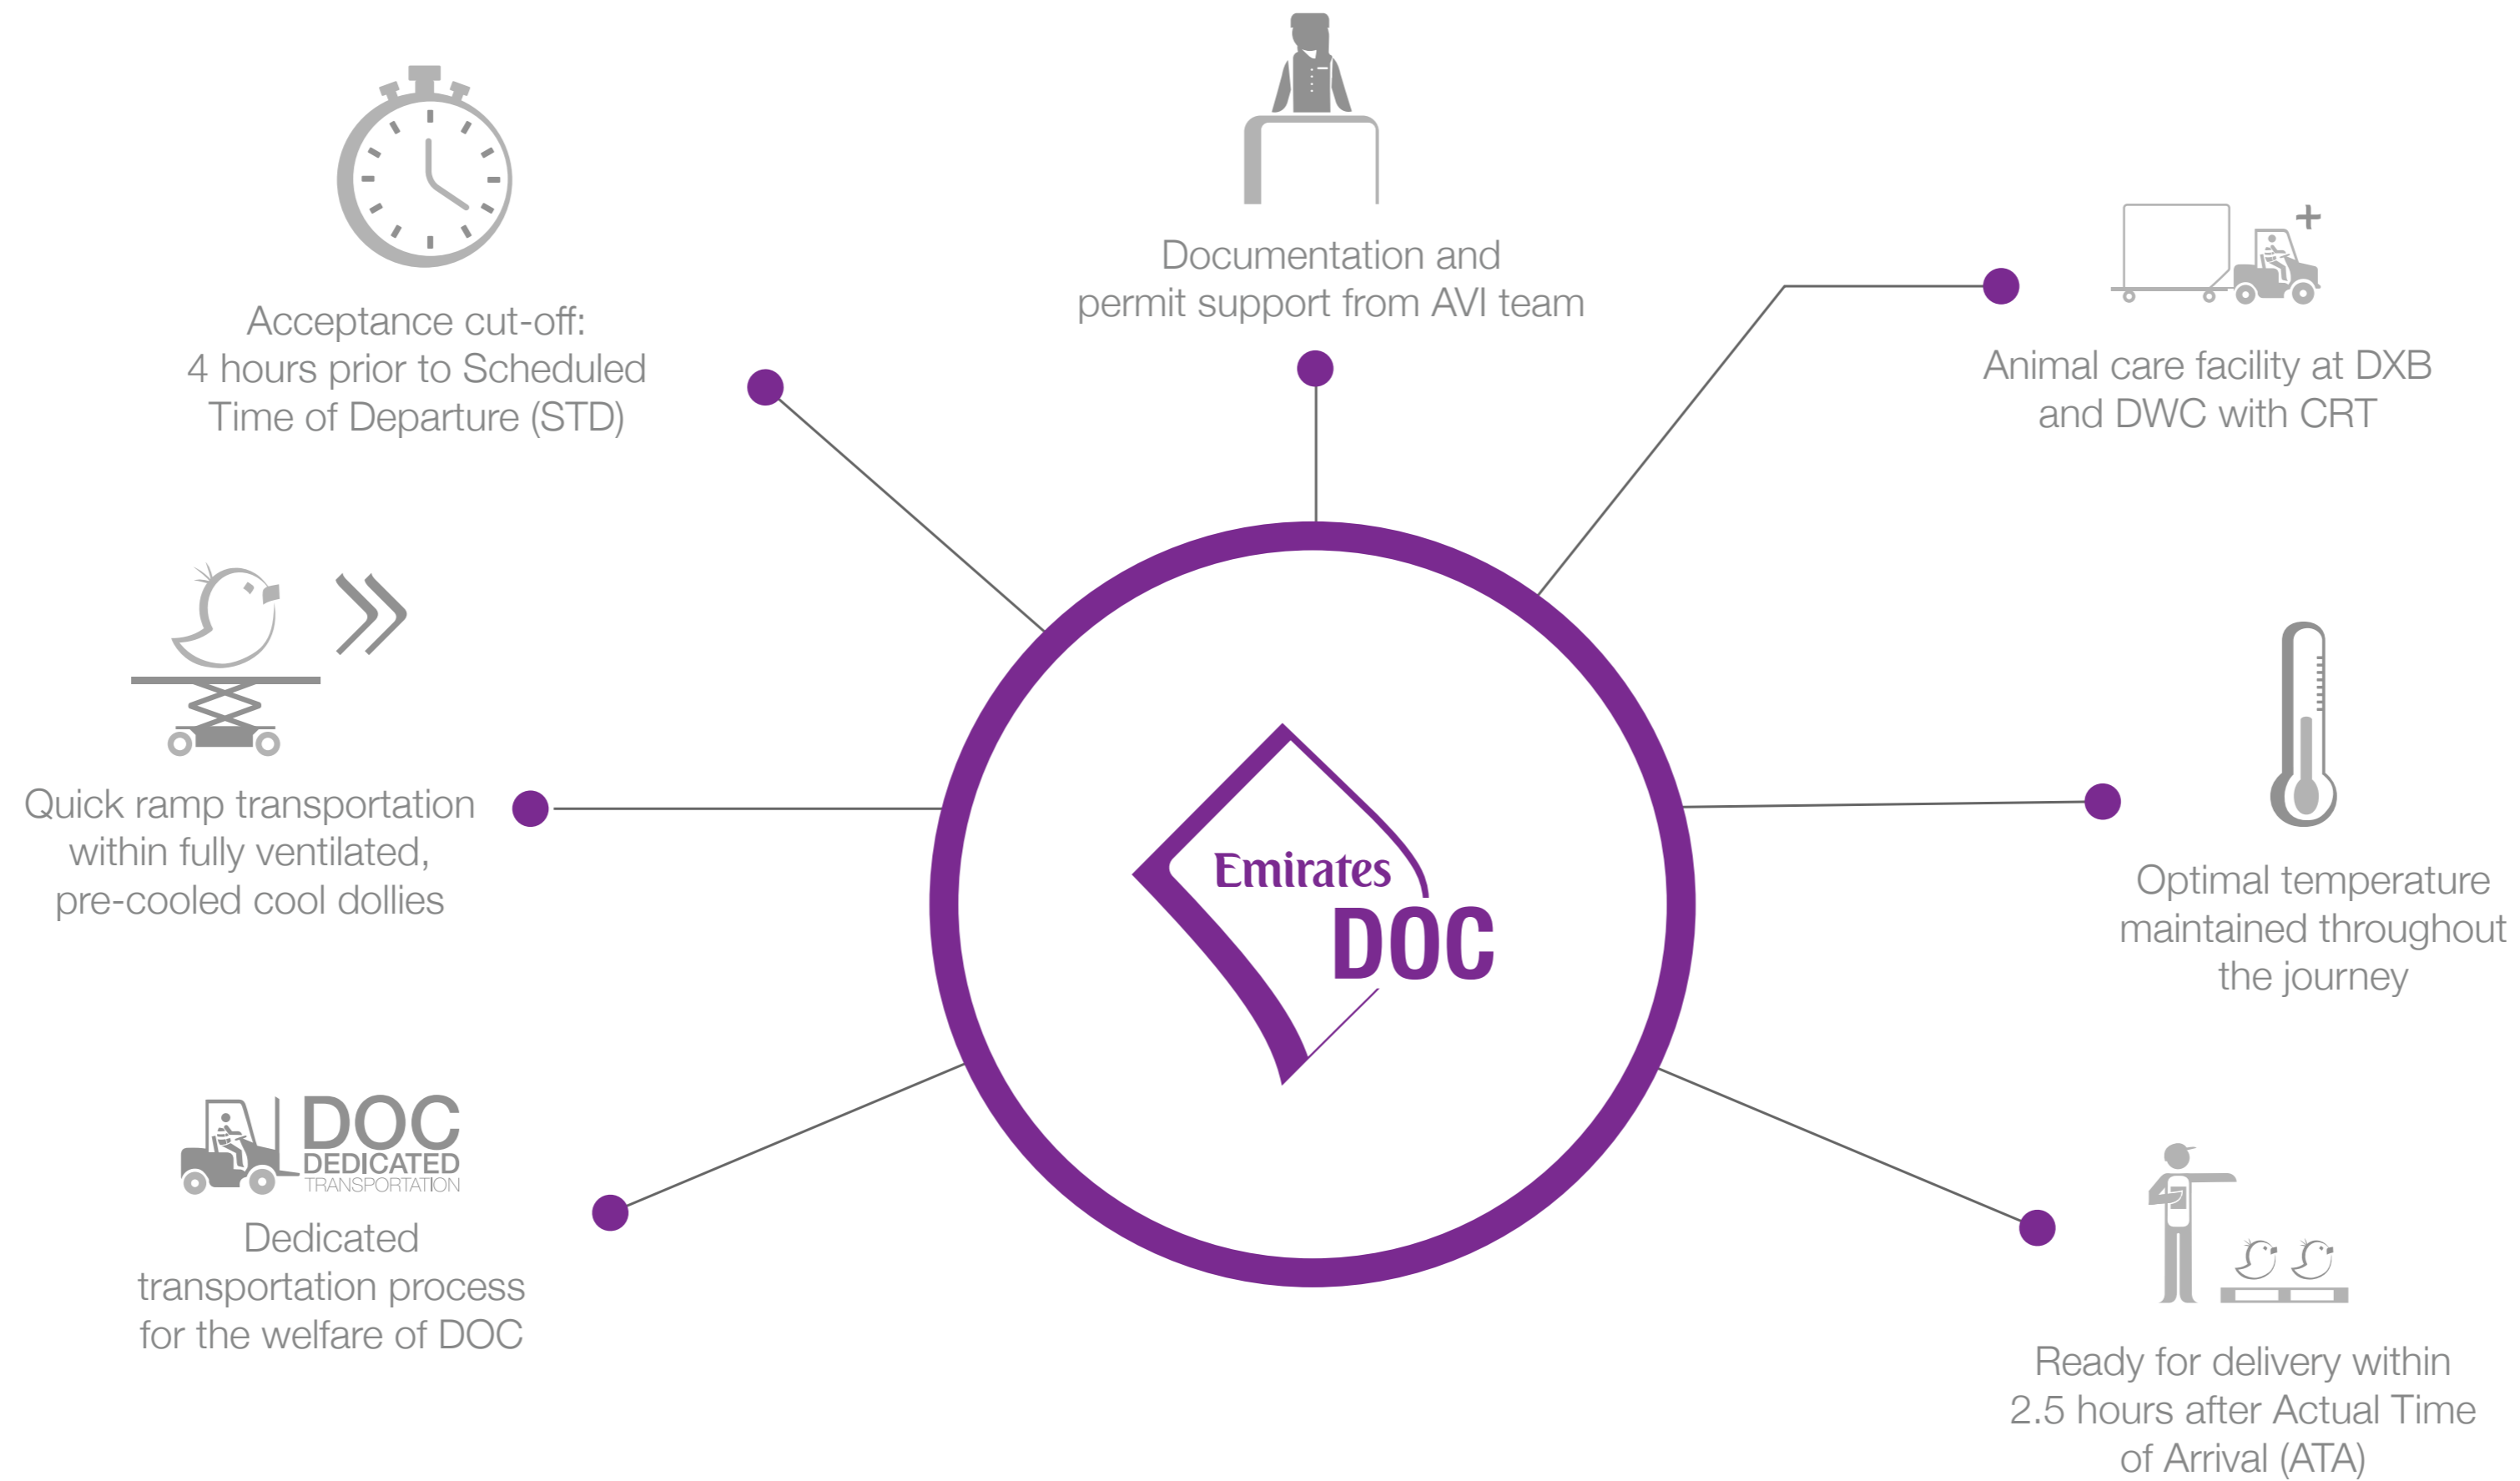

What is DOC cargo?

Emirates DOC is our dedicated product for the transportation of live day old chicks that do not exceed 72-hours-old at time of collection at the destination station.

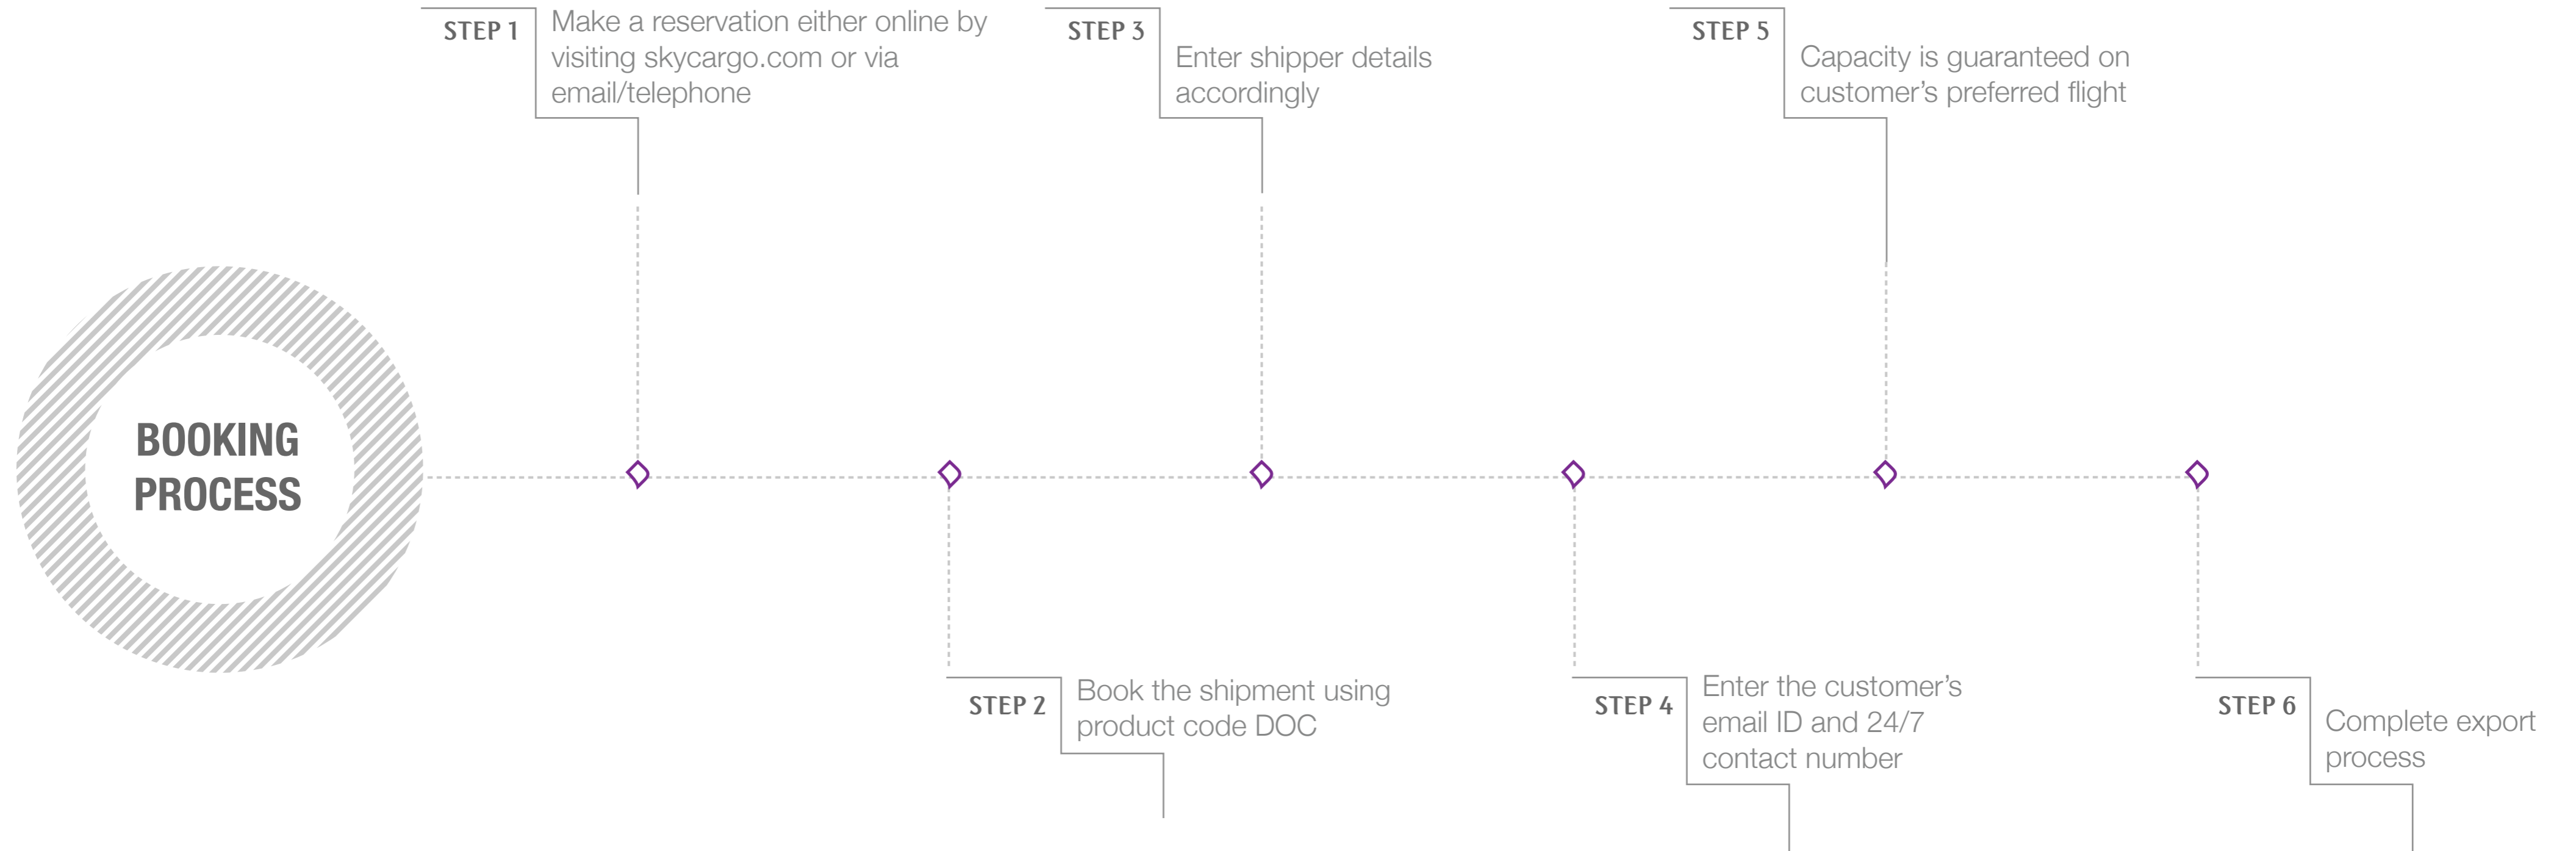

Our DOC product streamlines the transportation process to minimise flight-time and ensures the chicks environment is fully optimised for their well-being.

Emirates DOC features

Booking process

A few important points to remember while booking

1

Product Code : DOC
SHC Codes : AVI, CRT

If these codes are not selected,
the shipment will be
incorrectly handled
as general cargo

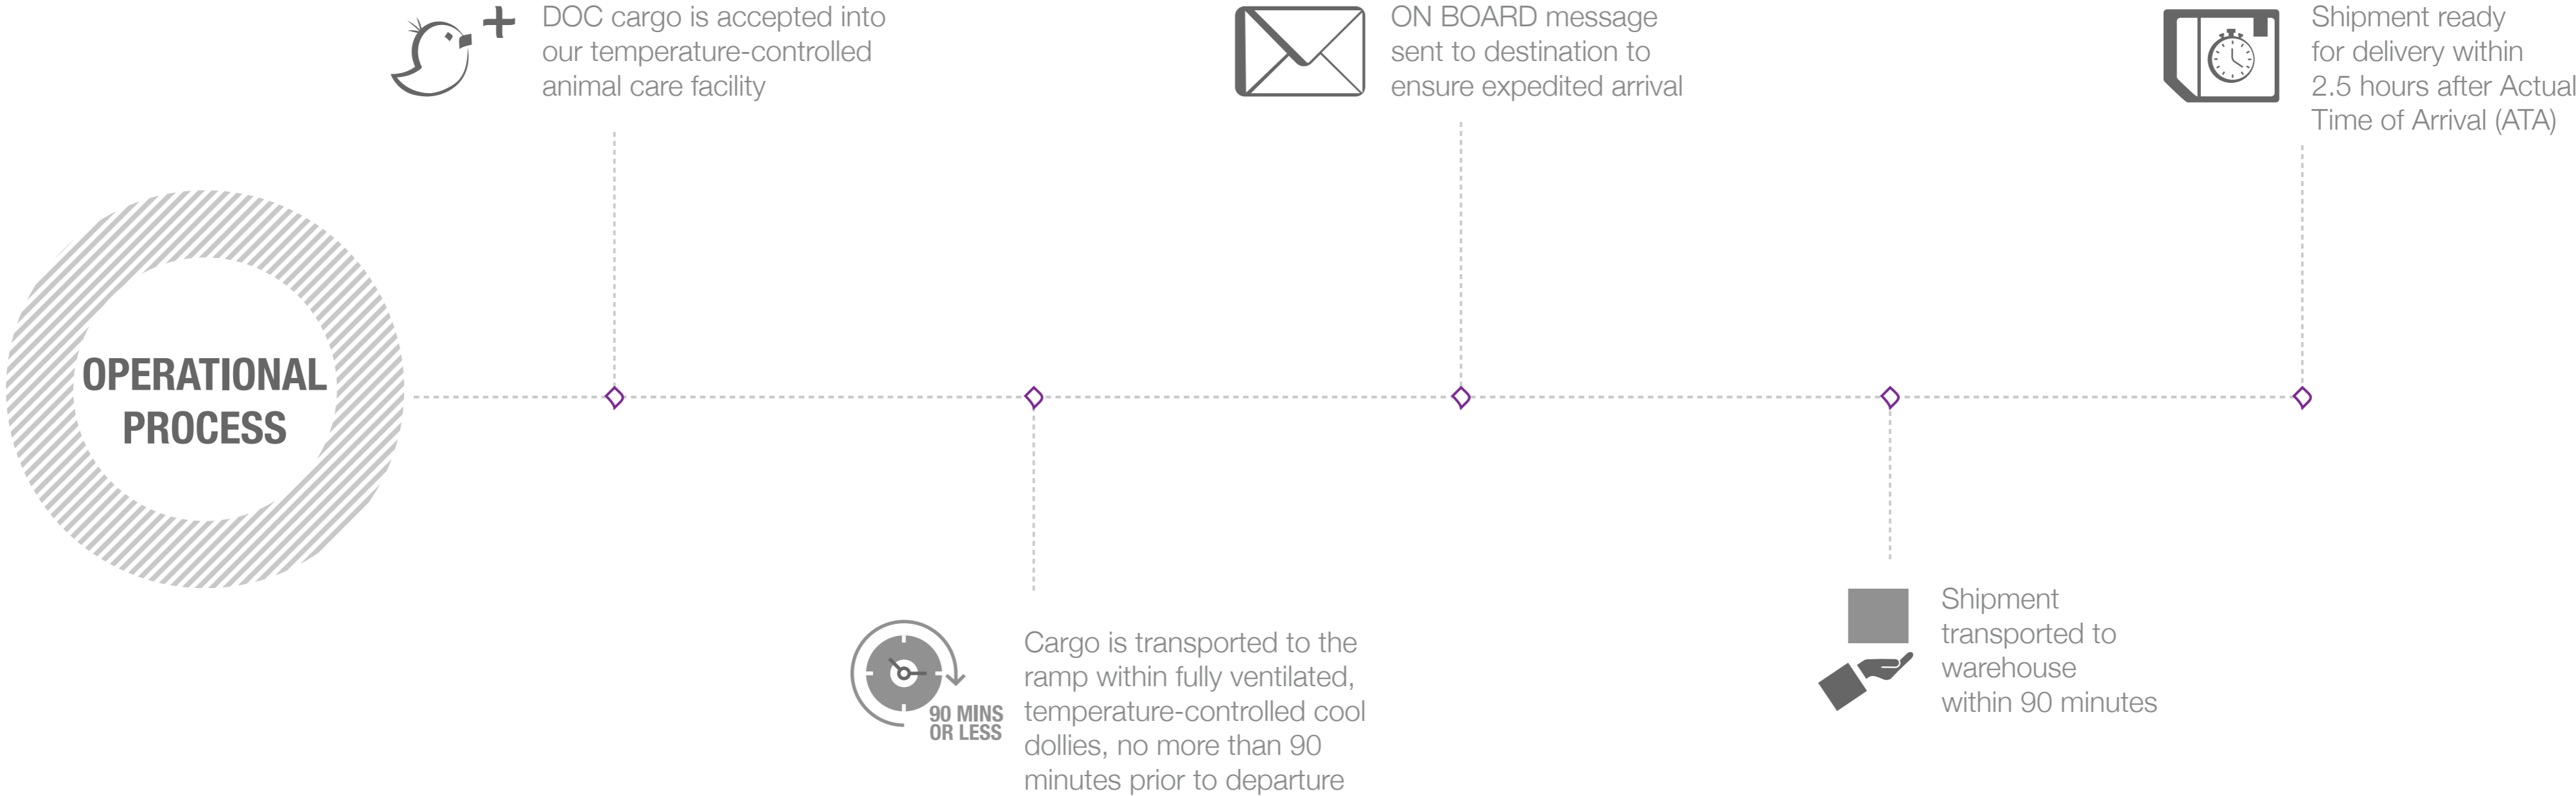

2

DOC shipments are
considered Live Animals
(AVI) and therefore must
comply with the IATA Live
Animals Regulations Guide
to its fullest extent

3

When adding the
shipper details, the
information provided must
be of the DOC breeder with
a 24-hour contact number
of the agent
