Rate Applicability

Emirates SkyCargo rates for cargo transportation are based on the booking information provided by Customer, excluding any applicable surcharges, taxes, levies, fees, and other charges (e.g., related to screening, customs, DGR handling, etc.). Rates may be modified in the event of any change in the booking details. All rates are based on the issuance date of the Air Waybill (AWB).

The Emirates SkyCargo rates applicable for each booking are based on the country of and point of sale in **SEK** excluding fuel surcharge. The calculation of the applicable fuel surcharge will be as per the fuel surcharge mechanism available at <https://www.skycargo.com/shipping-services/fuel-index/>

Emirates SkyCargo reserves the right to terminate rates on the published tariff sheet with two (2) weeks' notification. Emirates SkyCargo also reserves the right to amend, add or subtract surcharges (subject to applicable laws and regulations) on fuel, security, or external cost factors beyond its control and any such changes will be published with seven (7) days' notice.

Weight breakpoints are only applicable for Emirates SkyCargo's net-rates, as specified on the published tariff sheet.

1. Spot/Ad hoc Quotes

The spot or ad hoc quote reference numbers should be provided at the time of booking to avail the spot or ad hoc quote rate. Capacity on spot or ad hoc based cargo is subject to availability and approval by Emirates SkyCargo.
