These Local Sales Conditions set out the specific booking and operational conditions which apply to Emirates SkyCargo cargo transportation sales in **Australia**.

We reserve the right to modify these Local Sales Conditions at any time and without notice we therefore, advise you to check the latest document regularly for updates and in particular, prior to making any new bookings.

**Carriage of Cargo by Emirates SkyCargo is governed by the following:**

- (ii) Local Sales Conditions, as applicable by country

These Local Sales Conditions are governed by and in accordance with the above-mentioned conditions. Except as otherwise stated, in the event of any discrepancies and/or inconsistencies the order of precedence shall be as listed above (i) to (ii).

The Shipper and/or the representing Agent (referred to as “Customer” hereinafter) are deemed to accept the above mentioned documents in full for all bookings for Carriage of Cargo by Emirates SkyCargo.

**Rate Applicability**

Emirates SkyCargo rates for cargo transportation are based on the booking information provided by Customer, excluding any applicable surcharges, taxes, levies, fees, and other charges (e.g., related to screening, customs, DGR handling, etc.). Rates may be modified in the event of any change in the booking details. All rates are based on the issuance date of the Air Waybill (AWB).

The Emirates SkyCargo rates applicable for each booking are based on the country of and point of sale in **Australian Dollar (AUD)** excluding fuel surcharge. The calculation of the applicable fuel surcharge will be as per the fuel surcharge mechanism available at <https://www.skycargo.com/shipping-services/fuel-index/>

Emirates SkyCargo reserves the right to terminate rates on the published tariff sheet with one (1) week’s notification. Emirates SkyCargo also reserves the right to amend, add or subtract surcharges (subject to applicable laws and regulations) on fuel, security, or external cost factors beyond its control and any such changes will be published with seven (7) days’ notice.

Weight breakpoints are only applicable for Emirates SkyCargo’s net-rates, as specified on the published tariff sheet.

### 1. Spot/Ad hoc Quotes

A spot or ad hoc quote is a one-time rate offered based on shipment details provided at time of the quote. All spot or ad hoc quotes are valid for seven (7) days only and should be accepted and booked within that period to avail the quote price.

The spot or ad hoc quote reference numbers should be provided at the time of booking to avail the spot or ad hoc quote rate. Capacity on spot or ad hoc based cargo is subject to availability and approval by Emirates SkyCargo.

### 2. Charges Collect

The Emirates SkyCargo team at your respective station(s) will specify the applicability of Charges Collect by destination.

### 3. Other Charges

Applicable surcharges, taxes, duties, fees, and other charges are applicable as mentioned in this document (see Annexure 1) or through your local Emirates SkyCargo office. We advise you to consult them regularly in case of changes, and particularly, prior to making a booking.

### 5. LTA, Low-Show and No-Show Policy

#### 5.1. LTA

A Large Tonnage Agreement (LTA) is an agreed signed document required for shipments over:

- (i) Five (5) tonnes or more on a passenger flight
- (ii) Ten (10) tonnes or more on a full freighter

Cancellation, No-Show, and Low-Show charges will be applied as per Emirates SkyCargo's LTA policy, when required by the local SkyCargo office.

<i>Notice of Cancellation by Customer</i>	<i>Agreed Compensation Payable by Customer</i>
Less than 96 hours but more than 72 hours written notice before the agreed Cut-Off time for the booking	50% of the total charges (including air freight rates and any other charges)
Less than 72 hours but more than 48 hours written notice before the agreed Cut-Off time for the booking	75% of the total charges (including air freight rates and any other charges)
Less than 48 hours written notice before the agreed Cut-Off time for the booking	100% of the total charges (including air freight rates and any other charges)

#### 5.2. Low-Show Policy

A Low-Show is where the chargeable weight on the booking is reduced by more than **one (1) tonne** without giving a notice of at least **forty-eight (48)** hours (or 2 working days) before departure. The tonnage reduction is the difference between the tendered chargeable weight and the chargeable weight of the last booking confirmation. In this instance, Emirates SkyCargo will charge **50%** of the tonnage reduction at the booked rate on freight amount as per booked product.

#### 5.3. No-Show Policy

A No-Show is a booking that is not cancelled or rebooked at least **forty-eight (48)** hours (or 2 working days) before departure, or which is delivered after the cut-off time. Any cancellation of a confirmed booking, will result in a **100%** cancellation penalty. In case of a No-Show, the AWB will be frozen and cannot be reused. The applicable No-Show fee will be charged to the AWB used for the booking on freight amount as per booked product.
